INSIST ON QUALITY

SELF ADHESIVE INSULATION FOAM TAPE

Insulflex self adhesive synthetic rubber insulation tape has strong bonding power and long durability, yet retains its efficient insulating properties.

It is ideal and easily apply for insulating fittings such as short pipes and valves.

Product Specifications

Characteristic	Rating
Temperature Range	-20°C to 80°C
Adhesive Surface	Double Side Tissue Tape (Acrylic Based)
Adhesion Strength	1000g/25mm area
Thermal Conductivity	0.0374 W/(mk) at -20°C
Fire Rating (Tape)	BS 476 Part 7 – Class 1
Ozone Resistance	ASTM D 1171 – Good
Against Oil & Grease	Good

Sizes and Packing

Nominal Size	Qty/Box	Qty/Ctn
3mm X 24mm X 9.14m	2	24
3mm X 48mm X 9.14m	1	12

Prevent Heat Loss

Prevent Condensation

Strong Bonding
