## INSULFLEX CORPORATION SDN BHD

### About The Company

Insulflex Corporation Sdn Bhd has been a market leader in flexible elastomeric rubber foam insulation since 1988 and is accredited with ISO9001:2015 & ISO 14001:2015.

Our products are manufactured in Malaysia. We used the highest quality raw material, latest extrusion and blowing technology under stringent quality control.

Our products are distributed locally and exported to a number of foreign countries, such as Australia, Indonesia, Vietnam, Hong Kong, Africa, India, Middle East, Russia, Europe, Singapore and other countries. Export Sales is accounted for about 70% of the total sales.

All Insulflex products come with an assurance of quality and reliability. With our continuous research and development, updated technology and production facilities in order to meet with the requirement of international testing methods and standards such as FM Approved, UL 94, British Standard (BS 476 - Part 6 & BS 476 - Part 7), and American Standards (ASTM).

Insulflex Corporation welcome all enquiries on our product range and our distribution channels within Malaysia and other countries

**“30 years of History: Synonymous with quality, reliability & professionalism”**
